

## Canadian Association of Home and Property Inspectors Manitoba

P.O. Box 66024 Unicity, Winnipeg, Manitoba, R3K 2E7

To the Aspiring Home Inspector:

Thank-you for your interest in the Canadian Association of Home & Property Inspectors. Please find enclosed the membership package you requested, which includes an application to the Manitoba chapter, CAHPI (MB). I trust this package will assist you in answering questions you may have about the association.

The association consists of three membership levels.

Registered Home Inspectors as outlined in the information package have successfully completed their CAHPI (MB) exams and have completed 250 fee paid inspection along with maintaining the required insurance.

Associates have been in the association for at least six months, have successfully completed the National Home Inspection Examination along with maintaining the required insurance but have not completed 250 fee paid inspections.

Candidates have not completed their exam or have not been in the association for at least six months. Please review the information package "Membership Regulations" for more defined explanations of membership.

Exams are arranged by the candidate. CAHPI(MB) uses the National Home Inspection Examination to verify the candidates knowledge.

If you require any further information or would like to attend one of our meetings, which are held the last Wednesday of second month. Please do not hesitate to call me at (204) 250-7849 or e-mail [membership@cahpi.mb.ca](mailto:membership@cahpi.mb.ca) . Our meetings are generally open forum for the first portion which allows plenty of opportunity to meet other members of our Association and answer any questions you may have about the Association or the home inspection industry in general. Most meetings also include having a guest speaker present on a topic relative to the home inspection industry.

The association looks forward to meeting you.

Sincerely

Jeff Seaman Membership
